### **Any Amount – Educational Support**

Provides funding for educational conventions and associated travel costs, textbooks, and graduate study costs for residents, technicians and faculty.

### **\$3,000 – Sponsor a Resident**

Residency programs are usually over a 3-year period and provide intense learning opportunities. Sponsor a resident by assisting with the cost of textbooks, computer and statistical software, learning aids, and continuing education events. This gives our residents the opportunity to learn the latest information and to present the results of their research at national meetings and short courses.

### **\$50,000 – Tafonius**

Advanced large animal anesthesia machine with integrated monitoring and ventilator system.
